Wow...
This is SO different than playing Puffy Pets on my net gear glasses.
This is a real creature with real feathers and a real beating heart.

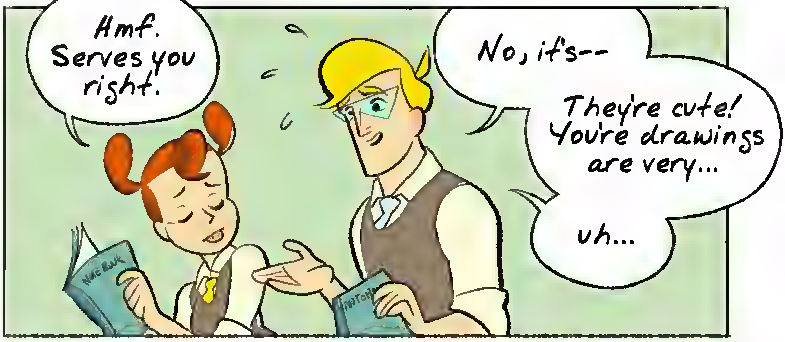
There are chickens here?!
Yeah.
A few.
They're in a coop out back.
David!
We still have four more plants left

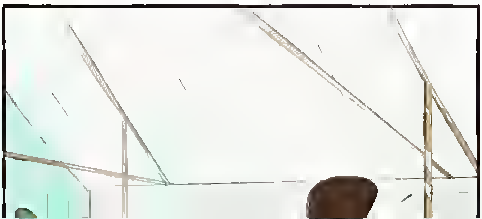
We have a meeting tomorrow here at the greenhouse.

I'll be there!



Hmf. Serves you right.
No, it's--
They're cute! You're drawings are very...
uh...

Hey!
There's Meisha!



Ugh.
Why is everyone so much better at drawing than me?
Let me see yours.

Chicks...

We got a special grant to buy these guys.
They're our pride and joy.

Here, feed them some of this.

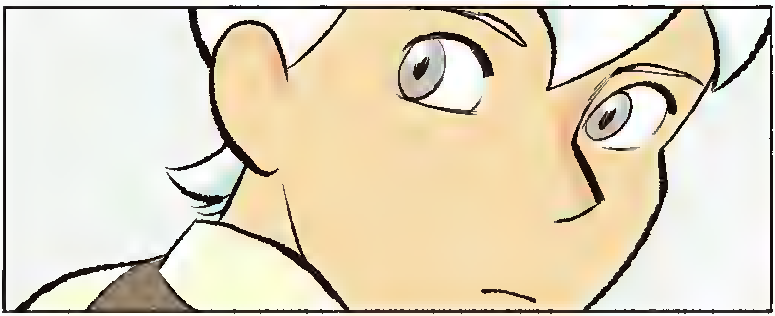
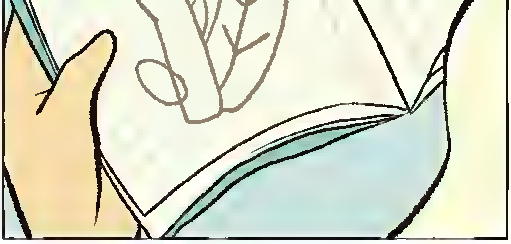
We'll set to them! Come on!

Ouch!

No need to pull!



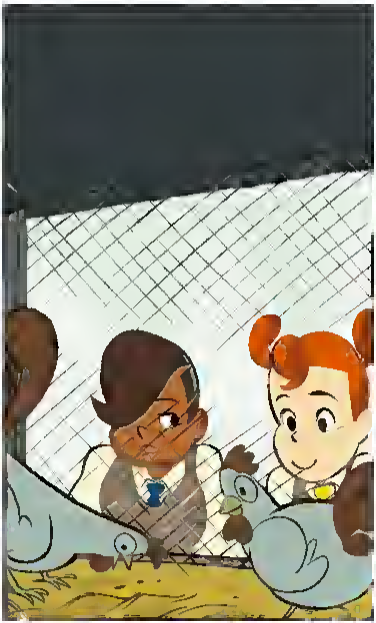


Ha ha!

Ow...
I'm so sore it hurts to laugh.

Yeah. It's the poop.

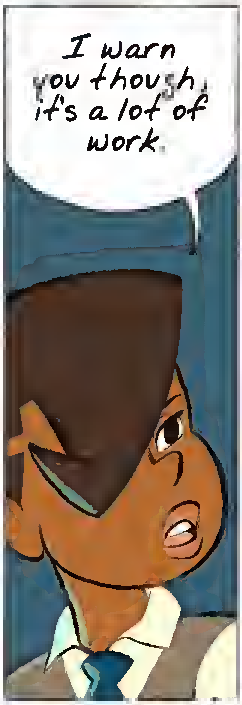
Chicken poop makes good fertilizer though, so it works out.
Neat.



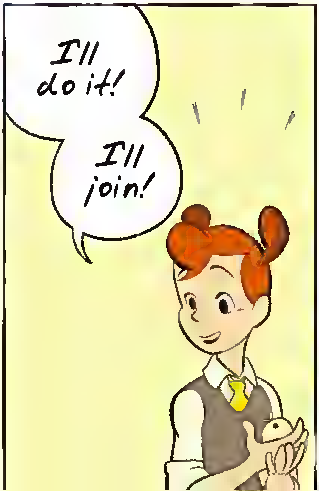
Let me show you something even cooler.

Hey guys. What are you doing here?
A biology assignment. What are you doing here?
I'm in the agriculture club.
I was just stopping by on my free period to water some plants and feed the chickens.

Meisha, do you suppose I could...
like...
...help you take care of these guys?
Really?
Sure, if you join the agriculture club.
We could use the help.



I warn you though, it's a lot of work.



I'll do it!
I'll join!

Great.

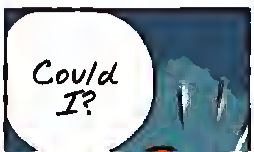
Actually, they're all girls.
Want to hold one?



Could I?
